PROCEDURAL ORDER

An application for a Certificate of Environmental Compatibility was filed in the above captioned matter with docket control of the Arizona Corporation Commission ("Commission") on March 30, 2009. A copy of the application was transmitted to John Foreman, designee of the Attorney General of Arizona, Terry Goddard, as Chairman ("Chairman") and Presiding Officer of the Arizona Power Plant and Transmission Line Siting Committee ("Line Siting Committee"). A.R.S. §§ 40-360.01(B) (1) and 40-360.03. As authorized by A.R.S. §§ 40-360.01(C) and (D), 40-360.04 and A.A.C. R14-3-201(E), the Chairman issues the following procedural order,

IT IS ORDERED:

1. The Applicant and all other potential parties ("persons" within the meaning of A.R.S. § 40-360(8) who intend to intervene or request to intervene pursuant to A.R.S. § 40-360.05(A)) shall advise the Chairman in writing on or before the time of the pre-hearing conference scheduled below if they disagree that the time limit for decision on the application by the Line Siting Committee set by A.R.S. § 40.360.04(D) is September 28, 2009.
2. The Applicant shall arrange for the publication and posting of notice of the evidentiary hearing, as agreed to at a pre-application hearing involving the Applicant and all known

1 potential intervenors, in a form approved by the Chairman and circulated for approval as
2 to form to all known potential interested parties. In addition, the Applicant shall submit a
3 copy of the notice and present testimony describing the publication and posting of the
4 notice at the evidentiary hearing.

5 3. The Applicant shall make arrangements for the evidentiary hearing to be held at the
6 Hampton Inn & Suites, 2000 North Litchfield Road, Goodyear, Arizona 85395, beginning
7 at 9:30 a.m. on May 18, 2009, and continuing, if needed, on May 19, 2009, at 9:30 a.m.
8 In addition, the Applicant shall make arrangements for a public comment session to be
9 held at the same venue as needed during the time scheduled for the hearing. The
10 Applicant shall make arrangements for further regular sessions and, if needed, additional
11 public comment sessions on dates and at times to be determined later.

12 4. The Applicant shall contact Michael Kearns, Chief Finance Officer of the Commission
13 (602-542-3931) and advise him of the Applicant's position concerning reimbursement of
14 the Line Siting Fund should the expenses of the hearings exceed the application fee and
15 to discuss financial arrangements regarding hotel reservations and other expenses of
16 the Line Siting Committee Members. A.R.S. § 40-360.10. The Applicant shall advise the
17 Chairman of the results of these discussions so the necessary information may be
18 communicated to the Line Siting Committee Members.

19 5. The parties and any other potential parties ("persons" within the meaning of A.R.S. § 40-
20 360(8) who intend to intervene or request to intervene pursuant to A.R.S. § 40-
21 360.05(A)) shall not communicate with any member of the Line Siting Committee about
22 any procedural matters or any factual issues or legal issues relating to the Application
23 while the Application is pending before the Line Siting Committee. The only exception is
24 the parties may communicate with the Chairman during the time the Application is
25 pending about procedural matters relating to the preparation of the Application for
26 hearing, the hearing on the Application and the decision on the Application by the Line
Siting Committee. Communication of the parties with the Chairman about any procedural
matters during the time an Application is pending shall be in writing with a copy of the
writing to all parties or known potential parties ("persons" within the meaning of A.R.S. §
40-360(8) who have expressed an intention to intervene or request to intervene pursuant
to A.R.S. § 40-360.05(A)), or shall be on the record at a pre-application hearing, at a
procedural hearing or at the hearing on the application. Any party who initiates any
written communication sent to the Chairman shall file with docket control of the
Commission a copy of the communication including its distribution list within 10 days of
sending the communication.

6. Whenever an agenda is filed pursuant to A.R.S. § 38-431.02, all parties shall submit at
least forty-eight hours before the hearing or meeting described in the agenda any
objections, additions or corrections to the agenda in order to bring the agenda into
compliance with A.R.S. § 38-431.02 in writing to the Chairman, serve a copy upon all
other parties and file a copy with docket control of the Commission.

7. In addition, all parties shall meet and confer as needed before, during and after the
hearing to attempt to resolve any disputes amongst the parties. The parties also shall
keep all other parties advised of their positions and intentions with regard to the

1 presentation of evidence, witnesses and the application process in general to avoid
2 delay, the presentation of repetitive evidence and any unfair advantage from surprise.

3 8. All parties shall prepare brief summaries of the expected direct testimony of each
4 witness they will call. In lieu of a testimonial summary, a party may pre-file and exchange
5 all or substantially all of the direct testimony of any witness. Testimonial summaries and
6 pre-filed testimony should be filed no later than the last pre-hearing conference or three
business days before the witness is to testify, whichever is later. Except for good cause,
no witness will be allowed to testify on direct examination concerning issues not
reasonably identified in the pre-filed testimony or testimonial summary.

7 9. All parties shall meet, confer and exchange all exhibits the party plans to offer in
8 evidence before the hearing or before they are referred to in testimony or offered in
9 evidence. The Applicant shall, and other parties may, provide one or more three ring
10 binders for the Chairman and each member of the Line Siting Committee to hold exhibits
11 at the beginning of the hearing and as needed during the hearing. Each party shall
12 prepare a numbered list of the exhibits and a copy of all exhibits suitable for placement
13 in the binders that have been exchanged with the other parties that each party expects
14 to offer in evidence at the hearing for the Chairman and each Line Siting Committee
member. The exhibits shall be provided at the beginning of the hearing and during the
hearing before reference to the exhibit is made in the hearing. Except for good cause,
no exhibit that was not exchanged with the other parties shall be considered at the
hearing. Any exhibit to which reference is made during any hearing that is not offered or
admitted into evidence shall be provided to the court reporter at the evidentiary hearing
for inclusion in the record unless it is withdrawn and the Chairman determines its filing is
not necessary to an understanding of the actions of the Committee.

15 10. All exhibits shall be consecutively numbered with the Applicant's exhibits denominated:
16 A-1, A-2, etc. Each intervening party will be assigned by the Chairman a letter or letters
17 of the alphabet as a preface with which to consecutively number its exhibits. For
example, the Commission Staff will number its exhibits: CC-1, CC-2, etc.

18 11. The Applicant may make an opening statement at the beginning of the hearing of no
19 more than thirty minutes. Each other party may make an opening statement of no more
than five minutes.

20 12. Public comment will be heard after the opening statements and at other times set by the
21 Chairman during the hearing. See ¶ 3, above.

22 13. In the event the Chairman determines that a tour is appropriate, the Applicant shall
23 arrange for transportation of any Committee Members who wish to attend a tour of the
24 locations where facilities proposed in the application or similar facilities are located. The
25 Applicant shall submit to the Chairman, for approval in advance of the hearing, a
26 schedule and protocol agreed to by all parties for the tour. If all parties do not agree
upon the schedule and protocol for the tour, the disagreements shall be submitted to the
Chairman for resolution. The protocol shall identify the tour route, identify the location of
any stops, and identify any witnesses who will accompany the tour. Counsel may ask
brief explanatory questions of the identified witness or witnesses during the stops about

1 the location, what can be seen from the location of the stop and the relevance of the
2 location or view to the Application in the discretion of the Chairman. All witnesses who
3 testify on the tour shall be sworn before their testimony. All questions and answers shall
4 be before a court reporter. No testimony or discussion with or between Committee
5 Members about the Application or matters relating to the Application will take place,
6 except on the record before a court reporter at the designated stops. The protocol shall
7 provide for access to any testimony presented at stops on a tour to members of the
8 public. Members of the public who wish to attend the tour shall be encouraged to notify
9 the parties or the appropriate staff of Arizona Corporation Commission in advance of
10 their intention to attend.

11 14. Parties may present their witnesses in panels where appropriate. A party that intends to
12 present witnesses in panels shall identify the members of any panel at the time it files its
13 witness summaries.

14 15. The Applicant shall make arrangements for the preparation of expedited court reporter
15 transcripts of all pre-application hearings, pre-hearing procedural hearings and the
16 evidentiary hearing, so that the transcripts are available for public inspection within three
17 working days after each hearing date, as required by A.R.S. § 38-431.01D and § 40-
18 360.04C. In addition, the Applicant shall file a certification with Commission docket
19 control that it has provided a copy of the transcripts to at least two public libraries
20 identified in the certification that are in the vicinity of the application.

21 16. On or before the final pre-hearing procedural hearing set below, the Applicant shall, and
22 the other parties may, file proposed findings of fact, proposed conclusions of law, the
23 wording of any proposed Certificate of Environmental Compatibility and the wording of
24 any proposed conditions to the Certificate.

25 17. If the beginning of closing arguments and the Line Siting Committee's deliberations are
26 more than one week after the beginning of the hearing, the parties shall meet and confer
after the hearing begins and before closing arguments concerning proposed findings of
fact, proposed conclusions of law, a proposed Certificate of Environmental Compatibility
and the wording of any proposed conditions to the Certificate. If the parties are able to
agree upon part or all of the proposed findings of fact, proposed conclusions of law,
proposed forms of a Certificate of Environmental Compatibility and proposed wording of
conditions to the Certificate, all that is agreed upon should be reduced to writing and
filed with Commission docket control. If the parties are not able to agree completely, the
Applicant shall, and all other parties may, file proposed findings of fact, proposed
conclusions of law, proposed wording of a Certificate of Environmental Compatibility and
proposed wording of conditions to the Certificate on the day before the beginning of
closing arguments and the Line Siting Committee's deliberations. If the Applicant or any
other party proposes conditions based upon conditions used in prior cases, each
proposed condition from a prior case shall contain the case number of the most recent
prior Certificate of Environmental Compatibility using the language approved by the
Commission.

18. All witness summaries, proposed findings of fact, proposed conclusions of law,
proposed Certificates of Environmental Compatibility and proposed conditions of

1 Certificates, shall be filed with Commission docket control pursuant to A.A.C. R14-3-204
2 and -205. If any documents that are filed are hand delivered during the hearing, eleven
3 copies shall be submitted to the Chairman for distribution to the other Committee
4 Members.

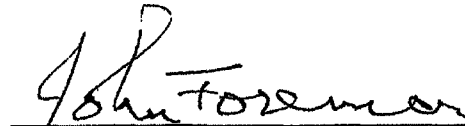

5 19. Within five business days after the hearing concludes and the Committee renders its
6 decision, the parties shall meet and confer in person or electronically to determine if they
7 can agree upon the final wording of a proposed Certificate of Environmental
8 Compatibility. If the parties can agree upon the final wording of a proposed Certificate of
9 Environmental Compatibility, Applicant shall file forthwith the agreed upon proposed
10 Certificate of Environmental Compatibility. If the parties are not able to agree upon a
11 proposed form of Certificate of Environmental Compatibility, the Applicant shall file, and
12 the other parties may file, within ten days after the date of the decision of the Committee,
13 those portions of the proposed Certificate of Environmental Compatibility upon which the
14 parties agree. The Applicant also shall file, and any other party also may file, its
15 understanding of any disputed portions of the proposed Certificate of Environmental
16 Compatibility. All proposed forms of the Certificate of Environmental Compatibility and
17 any objections or proposed revisions shall be filed with docket control of the Commission
18 and a copy shall be hand delivered to the office of the Chairman at 1275 W. Washington,
19 Phoenix, Arizona. Objections or suggestions that are not timely filed shall be considered
20 waived. The copy of the proposed Certificate of Environmental Compatibility filed by the
21 Applicant and any proposed revisions filed by the parties served upon the Chairman
22 shall include an electronic file containing the wording of the proposed language in a
23 format compatible with Microsoft® Word word processing program.

24 20. The Applicant and all other potential parties ("persons" within the meaning of A.R.S. §
25 40-360(8) who intend to intervene or request to intervene pursuant to A.R.S. § 40-
26 360.05(A)) shall meet with the Chairman for a final pre-hearing conference on May 8,
2009, at 10:00 a.m. at the offices of the Attorney General of Arizona at 1275 W.
Washington, Phoenix, Arizona. Parties may appear by telephone with the prior
permission of the Chairman. At the final pre-hearing conference, the Chairman will

- b. The proposed agenda for the evidentiary hearing;
- c. Any notices to intervene, applications to intervene, and applications to make a limited appearance;
- d. The status of attempts to narrow the issues at the evidentiary hearing or to agree to language in the proposed findings of fact, proposed conclusions of law, proposed Certificates of Environmental Compatibility and proposed conditions to the Certificate;
